

**Mission Support & Designated Giving
Fiscal Year End 2022**

The following presents the Mission Support and designated gifts received between February 1, 2021, and January 31, 2022. Some congregations refer to Mission Support to Proportionate Share or Benevolence. These funds support the work of the Synod and the whole church. The Sierra Pacific Synod forwarded 38% of the Mission Support received during the year to Chicago to support the work of the whole church.

Designated Giving includes contributions that congregations send to the Synod for Ministry Partners, Sister Synods, or Churchwide for distribution to ELCA missionaries and programs such as World Hunger, Lutheran World Relief, Good Gifts, and Disaster Response. These contributions are forwarded to the designated recipients the month after they are received by the Synod. In addition to the designated gifts sent through the Synod, some congregations send their designated benevolences directly to ministry partners or Churchwide. Congregations also send contributions directly to agencies, institutions, and programs in their local communities.

	Congregation Name	City	Mission Support	Designated Giving	Total
Conference
